

PUBLIC INFORMATION MEETING

Tuesday, August 27, 2019, 4:30 to 6:30 p.m.

Bridge View Center, 102 Church Street, Ottumwa

The Iowa Department of Transportation will hold a public information meeting Tuesday, August 27, to discuss proposed improvements to U.S. 34 in Ottumwa. The Iowa DOT and City of Ottumwa have partnered to review traffic operations, safety, and future corridor goals for approximately 2.5 miles of U.S. 34 from Wildwood Drive to just east of the Vine Street interchange with U.S. 63.

The purpose of this meeting is to update residents and stakeholders on concepts being developed to improve the corridor, environmental constraints along the corridor, safety and operational concerns, and obtain public feedback regarding corridor improvement options.

All interested persons are invited to attend this meeting between 4:30 and 6:30 p.m. The meeting will be conducted utilizing an open forum format. Iowa DOT staff will be present to informally discuss the proposed improvements. No formal presentation will be made.

The meeting space is accessible for persons with disabilities. However, if you require special accommodations at the meeting, please notify the Iowa DOT contact listed to the left by August 23rd.

To submit a comment online about this project, go to:
