U.S. 69 Corridor Study in Polk County

The Iowa Department of Transportation will hold a public information meeting to discuss the findings of a traffic operations and safety study on the U.S. 69 / South Ankeny Boulevard corridor from 1st Street to Southwest Ordinance Road in Ankeny. The U.S. 69 Corridor Study is evaluating existing intersections and future multimodal operations as well as safety and reliability. Focused, concept-level projects to specific areas along the corridor will be identified.
