Notes:  
FFY 2014 targets updated with 2010 Census population and FY 2013 Farm to Market Factor data  
FFY 2014 STP distribution equal to final distributed STP funds in FFY 2013

- \* MPO and RPA Census Urbanized area populations were adjusted to account for Urban Area or MPO boundaries
- Boundary area adjustments were made according to the percentage adjustment made to the 2000 Census populations (Des Moines needed to be adjusted further as the calculated adjustment was too high)
- Boundary area adjustments were applied to RPA county populations based on Urban Area Boundary maps as of September 2012
- Maps were not yet available for CMPO and MPOJC so 100% of the population adjustments were made to Linn and Johnson Counties, respectively

Date - October 2012
