

DOT Administrative Rules Affected by 2005 Legislation

(Please note that other administrative rules may need to be updated. This list does not include all the rule changes that may be needed.)

- HF 216 Section 26 requires the DOT to establish procedures by rule for suspending the license of a juvenile who has been issued a driver's license and is not in compliance with Code section 299.1B requirements (failure to attend school) or issuing the juvenile a restricted license.
- Section 34 authorizes the DOT to designate a towing or recovery vehicle as an authorized emergency vehicle, subject to rules adopted by the DOT.
- HF 591 Section 9 allows the DOT to issue permits to state agencies, counties or cities for all-terrain vehicles to cross primary highways as part of an all-terrain vehicle trail designation. The DOT may adopt rules to implement such permitting.
- HF 674 Section 4 provides that the Secondary Road Fund Distribution Committee, no longer an advisory committee, shall determine the methodology to be used for distribution of moneys in the Secondary Road Fund and Farm-to-Market Fund and is granted rulemaking authority to formally adopt the methodology. The application of the new methodology is to be phased in over five years, beginning July 1, 2006.
- HF 757 Requires the DOT to establish by rule procedures for reimbursement of expenses and costs to a private entity hired to take custody of an abandoned vehicle.
- HF 870 Section 4 allows the DOT to adopt rules as necessary to implement HF 870. HF 870 relates to the applicability of motor vehicle financial responsibility provisions concerning special mobile equipment. This bill took effect upon enactment, May 12, 2005.
