

The following bills of interest to the DOT were not included in the 2008 Iowa Acts because they were either item vetoed or vetoed by Governor Culver:

HF 2645 (Vetoed)

This bill related to public employee collective bargaining and teacher discipline.

HF 2700, Section 45 (Item Vetoed)

Section 45 of this bill was item vetoed. This section would have reduced professional standards of the recently established statewide electrician licensing program. Note: The Governor item vetoed other sections of this bill that are of no interest to the DOT.

SF 2364 (Vetoed)

This bill related to emancipation of a minor.

SF 2432, Section 35 (Item Vetoed)

Section 35 of this bill was item vetoed. This section changed the due date of the public transit funding study report called for in SF 2420.
