### DOT EMPLOYEES

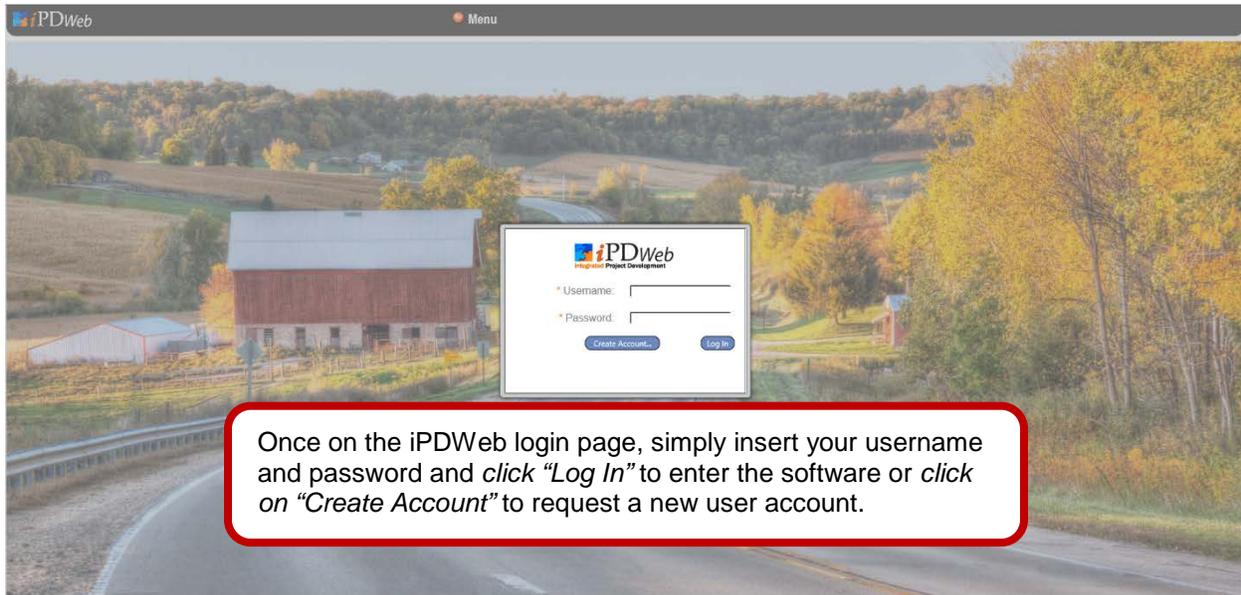

DOT employees may access the iPDWeb software through Office 365. After logging in to 365, *click on the “waffle”* in the upper left hand corner of the screen, *select “All”* applications, and *scroll down the list to the “iPD Web App”*. The App can be pinned to the home application list in Office 365 by *right-clicking on the “iPD Web App”* and *selecting “Pin to home”*.

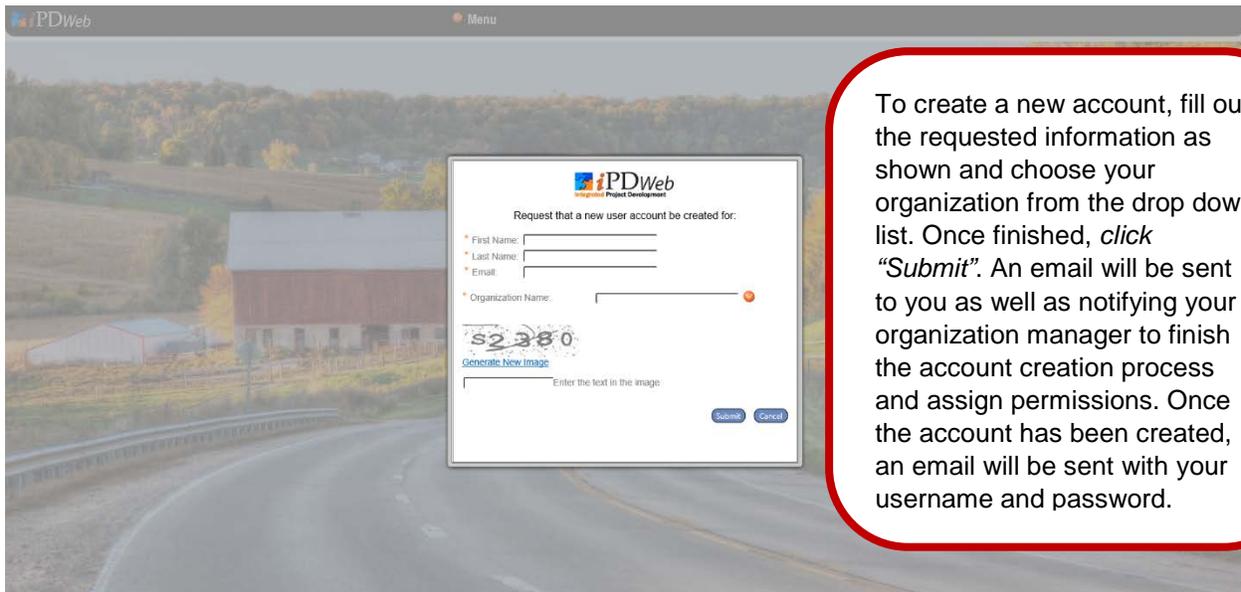

### CONSULTANTS

Consultants may access the iPDWeb software through <https://iadot.exevision.com/ipd/index.aspx?ln=app>.

## CONSULTANT IPDWEB LOGIN PAGE

If you have created an account and forgot your user name or password contact your organization administrator or the Iowa DOT support at [DOT-iPDWeb@iowadot.us](mailto:DOT-iPDWeb@iowadot.us)

After logging in for the first time it is advisable to change your password. This can be done by clicking on the Options link on the top right and selecting Change Password.

A pop up screen will appear allowing you to change your password. When finished click on the “Change Password” button.
