Questions and Responses Set 1

- Q1.** With regards to this Request for Bid, are there any contractor/consultant prequalification requirements? The IDOT prequalification process has changed and there does not appear to be a way (from our review of the website) to submit our company for prequalification.
- A1.** Be in accordance with current State Laws (chapter 480) and provide markings and protection.
- Q2.** Is there any idea or sense of anticipated ticket or locating volume?
- A2.** Around 9400 a year.
- Q3.** Is the anticipated geographical extent of the locating state-wide, and/or more concentrated in certain areas/regions?
- A3.** In Section 3.2 paragraph 16 (statewide and w/in 15 miles of the state line in the surrounding states)
- Q4.** Is the locating only for IowaDOT facilities, such as DOT fiber, power circuits, etc.? Or would it include locating for other third party facilities that are within DOT ROW?
- A4.** Locates for underground utilities such as but not limited to: water, sewer, electronic, telephonic, telegraphic communications, electric energy, hazardous liquids, or petroleum products including gas or other substances (including fiber). This includes our facilities and right away and yes, we would need locates for 3rd parties.
