Potential Amendment

- Will present to Commission on Dec. 14 for potential action in January
- Allocate some of the FFY 2022 Infrastructure Bill funding increases to SFY 2022 Program.
- Projects that can be delivered this fiscal year and distributed across the state.
2023-2027 Highway Program

- To be approved June 2022
- ~ $4 billion of state/federal funding (up from $3.6 billion)
- Challenges
  - Federal funding uncertainty
    - FFY 2022 continuing resolution
    - FFY 2027 funding levels
  - High expectations of the impact of the Infrastructure Bill
307.31 Periodic review of revenues — evaluation of alternative funding sources.
1. The department shall periodically review the current revenue levels of the road use tax fund and the sufficiency of those revenues for the projected construction and maintenance needs of city, county, and state governments in the future. The department shall submit a written report to the general assembly regarding its findings by December 31 every five years, beginning in 2011. The report may include recommendations concerning funding levels needed to support the future mobility and accessibility for users of Iowa’s public road system.

2. The department shall evaluate alternative funding sources for road maintenance and construction and report to the general assembly at least every five years on the advantages and disadvantages and the viability of alternative funding mechanisms. The department’s evaluation of alternative funding sources may be included in the report submitted to the general assembly under subsection 1.

2007 Acts, ch 200, §5
Sources of needs estimates

- City road/bridge needs: INTRANS (dTIMS)
- County road/bridge needs: ICEASB (TR608)
- State road needs: Iowa DOT Pavement (dTIMS)
- State bridge needs: Iowa DOT Bridge Management Team (IDS Bridge Optimizer)
Needs estimate parameters

- 2020 baseline condition data
- Forecast period: 2021-2040
- No overall funding/budget constraints
- Condition targets consistent desired management practices
- Initial estimates in current year dollars
- Will apply consistent annual cost inflation
